

### Angel Face

A 1969 AARS winner and still one of the most popular lavender roses! Graceful buds open slowly to fully double, ruffled lavender flowers edged in royal purple. Delicious old-rose fragrance powerful enough to fill an entire room. (1969) **AARS** 🌹🌿

Color .....Deep mauve-lavender  
 Height..... Up to 3' Bloom Size ..... 3½"-4"  
 Stem Length..... Medium Petal Count..... 30-35  
 Bud Form..... Urn-shaped  
 Foliage.....Dark green  
 Fragrance..... Strong old-rose  
 Parentage . (Circus x Lavender Pinocchio) x Sterling Silver

ANGEL FACE  
1969 AARS AWARD WINNER

### Betty Prior

An all-time favorite for its attractive, bushy habit and generous clusters of brilliantly colored, saucer-shaped flowers that bloom until frost. A good choice for a specimen plant, this prolific bloomer is also prized for its cold hardiness and superb disease resistance. (1938) 🌹

Color .....Carmine to pink  
 Height.....3'-4' Bloom Size .....2½"  
 Stem Length..... 10"-15" Petal Count..... 5-7  
 Bud Form..... Ovoid  
 Foliage.....Medium green  
 Fragrance..... Tea rose  
 Parentage ..... Kirsten Poulsen x Seedling

BETTY PRIOR

### Cherish

Shell-pink blossoms with coral highlights and a spicy fragrance. Exhibition-quality blooms offset by leathery, glossy dark green foliage fill the garden with color all season long and make Cherish a great cutting rose. (1980) **AARS**

Color .....Shell pink  
 Height..... 4' Bloom Size ..... 4"  
 Stem Length..... 10"-15" Petal Count..... 25  
 Bud Form..... Perfect, high-pointed  
 Foliage..... Leathery, glossy dark green  
 Fragrance.....Light spicy  
 Parentage .....Bridal Pink x Matador

CHERISH  
1980 AARS AWARD WINNER

FRENCH LACE  
1982 AARS AWARD WINNER

### French Lace

Ivory to light apricot buds spiral open to classic white blooms of exquisite form, many carried in clusters for bouquets. (1982) **AARS**

Color .....Ivory  
 Height..... 3'-4' Bloom Size ..... 4"-5"  
 Stem Length..... 6"-10" (cluster) to 14" (single)  
 Petal Count..... 30  
 Bud Form..... Pointed  
 Foliage..... Holly-shaped, dark green  
 Fragrance.....Light spicy  
 Parentage .....Dr. A.J. Verhage x Bridal Pink

### Iceberg

This legendary, easy-care rose sets huge bunches of large, double, pure white blooms that scent the air with a rich, honey perfume. Light green glossy foliage highlights the pristine blossoms beautifully. (1958) 🌿🌹

Color .....White  
 Height..... 3' Bloom Size ..... 4½"  
 Stem Length..... 10"-15" Petal Count..... 35-40  
 Bud Form..... Long pointed  
 Foliage.....Glossy light green  
 Fragrance..... Light honey  
 Parentage ..... Robin Hood x Virgo

ICEBERG

**INTRIGUE**  
1984 AARS AWARD WINNER

### Intrigue

One of the best floribundas for bouquets, Intrigue boasts exotic color, lovely form, intense fragrance and long cutting stems. A 1984 All-America winner, and its sensational lemony scent won it the Fragrance Medal at Madrid.

(1984) **AARS** 🌹 🌱

Color ..... Red-purple  
 Height ..... 3'-4' Bloom Size ..... 3"  
 Stem Length ..... 10"-15" Petal Count ..... 20  
 Bud Form ..... Ovoid  
 Foliage ..... Glossy dark green  
 Fragrance ..... Strong citrus  
 Parentage ..... White Masterpiece x Heirloom

### Sexy Rexy

Tremendous clusters of very fully petaled, medium-pink, ruffled blooms provide an abundance of flowers with a fruity aroma for fresh-cut bouquets all summer. (1984) 🌱

Color ..... Pink  
 Height ..... Up to 4' Bloom Size ..... 3"  
 Stem Length ..... 10"-15" Petal Count ..... 30-40  
 Bud Form ..... Ovoid  
 Foliage ..... Dark green  
 Fragrance ..... Light fruity  
 Parentage ..... Seaspray x Dreaming

### Showbiz

Cluster after cluster of scarlet-red blooms, rich and bright from bud to finish, cover this hardy, disease-resistant bush. Puts on a dazzling performance in your rose garden or mixed perennial bed all summer long.

(1985) **AARS** 🌱

Color ..... Scarlet  
 Height ..... 3'-4' Bloom Size ..... 2½"-3"  
 Stem Length ..... 5"-10" Petal Count ..... 28-30  
 Bud Form ..... Short, round  
 Foliage ..... Glossy dark green  
 Fragrance ..... Light sweet  
 Parentage ..... Unknown

### Sun Flare

Loads of sunny lemon-yellow blooms pop open throughout summer on a lower growing plant with a spreading habit. Heat and cold tolerant. Makes a great complement for lavender roses or perennials. (1983) **AARS** 🌱

Color ..... Bright yellow  
 Height ..... 2'-3' Bloom Size ..... 3"  
 Stem Length ..... 5"-10" Petal Count ..... 27-30  
 Bud Form ..... Pointed  
 Foliage ..... Glossy dark green  
 Fragrance ..... Light fruity  
 Parentage ..... Sunsprite x Seedling

**SHOWBIZ**  
1985 AARS AWARD WINNER

**SUN FLARE**  
1983 AARS AWARD WINNER

**SUNSPRITE**

**TRUMPETER**

### Sunsprite

Large clusters of bright, sweet-scented, non-fading blooms provide plenty of one-snip bouquets. Bright green foliage and strong licorice fragrance complement the allure of this sunny beauty.

(1977) 🌹 🌱

Color ..... Deep yellow  
 Height ..... 3'-4' Bloom Size ..... 3"  
 Stem Length ..... 10"-15" Petal Count ..... 25-30  
 Bud Form ..... Ovoid  
 Foliage ..... Bright green  
 Fragrance ..... Strong licorice  
 Parentage ..... Seedling x Spanish Sun

### Trumpeter

Large clusters of deep scarlet buds open into intense scarlet-rose blooms that cover this rounded, well-branched plant through the season. Complemented by dark green foliage, Trumpeter certainly toots its own horn in any garden setting.

(1977)

Color ..... Scarlet-orange  
 Height ..... 3'-3½' Bloom Size ..... 3½"  
 Stem Length ..... 8"-12" Petal Count ..... 20  
 Bud Form ..... Pointed ovoid  
 Foliage ..... Glossy dark green
